Dedication

MELVIN RAY HARMAN

There are many steps down the road of progress. Fayette High School has been moving down this road with one foot planted firmly in front of the other. It is fitting that we, "his boys and girls," dedicate the 1961 Eagle-Hi-Life to the man who has been responsible for this advancement--Melvin Harman.

No responsibility has been too demanding for him to accept; no request too trivial to receive his careful attention. He has given himself patiently to the students needs. Through his fourteen years at Fayette High School as a friend and counsellor, his kindness and understanding are known to all who knew and worked with him.
